

February 2022

Dear Oreland Swim Club Member:

The 2022 OSC season is right around the corner! There has been a lot of activity behind the scenes as we prepare for the upcoming spring and summer.

We are so grateful for your continued support, especially with the challenges we have faced the last two years. Our OSC family is very special. We had a successful 2021 season, all because of you, our incredible OSC members. Thank you for being such an amazing community.

We completed some necessary upgrades to our facility, including installing new roofs on the main building, the pavilion and both sheds, as well as a brand-new diving board and a refurbished platform on the other diving board. In addition, we are excited to announce that the pool is getting its much-needed makeover – it is being fully resurfaced this spring!

Due to rising operating expenses, you will notice slight increases in our annual dues. Even with these increases, OSC continues to be the most affordable area swim club option for families! **Applications and payments must be received by May 1.** Please fill out the digital application form (link: <https://forms.gle/j22dVNCM32LREvDy6>) and mail your check or pay with PayPal (members will incur the 3.4% PayPal fee) by May 1. After May 1, there is a \$25 fee added to your dues.

Guest Pass Punch Cards are available once again! Guest fees are \$10/guest, and the Guest Pass Punch cards are \$80 for 10 guests! You may purchase the cards at the front desk.

This is our 65th season of summer fun at OSC! We will be celebrating all summer with special anniversary events. If you have any ideas for our 65th anniversary celebration or other pool events, please let us know. We'd love to hear from you. And be sure to follow us on Instagram and Facebook for all things OSC!

Before we know it, we will all be relaxing poolside and enjoying the sunshine! We look forward to seeing everyone soon!

Sincerely,
The OSC Board of Directors
